THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE (SHRI ARANGIL SREEDHARAN): (a) Yes, Sir.

(b) The production of FCV tobacco in A.P. is estimated to be around 86 M.Kgs. against the target of 75 M.Kgs. According to the Tobacco Board the average price for FCV tobacco at the auctions in A.P. as on 11-5-90 was Rs. 15.05 per kg. The Tobacco Board has clarified that the prices at the auctions last year were initially high but went down subsequently and the average price for the entire season was 16.59 per kg. The USSR firmed up its orders only in April, 1990 and prices have picked up marginally thereafter. The Commerce Ministry held a meeting with the tobacco trade on 26th April, 1990 in a bid to secure better prices to the farmers. The STC has since moved into the market w.e.f. 2.5.90 and the tobacco prices have shown improvement.
